#### Category VI-

Any other credit availed of by any tea company for trade or manufacturing purposes with respect to its sick tea unit, during any period before the management of that sick tea unit had been taken over by the Central Government.

#### STATEMENT OF OBJECTS AND REASONS

The Tea Companies (Acquisition and Transfer of Sick Tea Units) Ordinance, 1985 was promulgated by the President on the 8th April, 1985, to acquire four sick tea units. The management of the four sick units, namely, Pashok, Looksan, Vah-Tukvar and Potong was taken over by the Central Government under the provisions of the Tea Act, 1953 after continued mismanagement and neglect of the said tea units by the tea companies concerned, coupled with reckless investments made and incumbrances created by those companies, had led to a state of deterioration which threatened the very continuance of the said tea units as also of the employment of about 3000 workers. The Central Government had invested considerable effort and money to nurse the tea units back to health with a view to safeguarding the interests of the workmen employed therein, and exploiting the full potential of the tea units for augmenting the production and manufacture of different varieties of tea which are essential to the needs of the economy of the country. Further investment of large sums of money was also considered necessary for re-organising and rehabilitating these gardens for attaining the objective fully. It was necessary for the Central Government to have an effective control over the affairs of the gardens to enable it to make further investments of such large sums of money and to protect the large investments already made. Since the period of take-over of management was expiring on the 10th April, 1985 in respect of Pashok, Looksan and Vah-Tukvar tea units and on the 19th June, 1985 in respect of Potong tea unit, it was decided to acquire these tea units without any further loss of time. In view of the urgency of the matter, and as the Council of States was not in Session at that time, the abovementioned Ordinance was promulgated.

2. The Bill seeks to replace the said Ordinance.

#### FINANCIAL MEMORANDUM

Clause 6 of the Bill provides that every tea company shall be given by the Central Government, for the transfer to and vesting in that Government of the sick tea unit or, as the case may be, each sick tea unit of that company and the right, title and interest of that company in relation to such sick tea unit, an amount in cash. The amount so payable will be approximately Rs. 168.35 lakhs. The said amount will be placed at the disposal of a Commissioner of Payments, to be appointed under clause 13 of the Bill, for payment to the said tea companies.

- 2. Sub-clause (1) of clause 7 of the Bill provides for the payment of an amount to every tea company, for the deprivation of the management of its sick tea unit, for the period commencing on the date on which the management of such sick tea unit was taken over by the Central Government under the Tea Act, 1953 and ending on the appointed day. The amount so payable for a period of  $8\frac{1}{2}$  years in respect of 3 gardens and  $5\frac{1}{2}$  years in respect of the remaining garden will be approximately Rs. 2.1 lakhs.
- 3. Sub-clause (2) of clause 7 of the Bill provides that the amount payable to the tea companies in terms of clause 6 and sub-clause (1) of clause 7 of the Bill shall carry simple interest at the rate of four per cent. per annum for the period commencing on the appointed day and ending on the date on which the payment of such amount is made by the Central Government to the Commissioner of Payments. This amount will be approximately Rs. 7 lakhs.
- 4. Clause 13 of the Bill provides for the appointment of a Commissioner of Payments and such other persons as the Central Government may think fit to assist the Commissioner of Payments. Under sub-clause (4) of clause 13, the salaries and allowances of the Commissioner of Payments and other persons appointed under that clause shall be defrayed out of the Consolidated Fund of India. The expenditure to be incurred on this account may not exceed Rs. 1 lakh per annum.
- 5. Clause 24 of the Bill provides for assumption of certain liabilities by the Central Government. The total extent of liabilities covered by that clause is much less than the total amount payable to the Commissioner as indicated in paragraphs 1 and 2 of this Memorandum. No additional financial liability is, therefore, likely to devolve on the Central Government under this clause.
- 6. It is also estimated that funds to the tune of Rs. 1.10 crores will be required, inclusive of bank loans and Government equity contribution, for investments to make the gardens viable and to meet cash deficits during the gestation period. The gardens are expected to achieve breakeven by around 1991-92 and are likely to be in a position to pay back investments and losses during gestation period by 1995-96.
- 7. The Bill, if enacted, is not likely to involve any other recurring or non-recurring expenditure.

#### MEMORANDUM REGARDING DELEGATED LEGISLATION

Clause 32 of the Bill empowers the Central Government to make rules to carry out the provisions of the Bill. The matters in respect of which rules may be made, inter alia, relate to the time within which, and the manner in which, intimation regarding any mortgage, charge, lien or other interest in, or in relation to, the properties which have vested in the Tea Trading Corporation under clause 3 of the Bill, shall be given to the Commissioner of Payments and the manner in which the monies in any provident fund, superannuation, welfare or other fund maintained by the tea company shall be dealt with by the Tea Trading Corporation.

2. The matters in respect of which rules may be made are matters of procedure and administrative detail. The delegation of legislative power is thus of a normal character.
